FULL DUMMY

SINGLE DUMMY

### HOW TO ORDER ROSETTE SETS:

#### A Rosette Trim includes:

- two rosettes
- two levers
- one spindle
- fastening devices. All interior trims are supplied with spindle and fastening devices for 1<sup>3</sup>/<sub>8</sub>" doors. When other door thicknesses are to be used, please specify – we can accommodate other door thicknesses up to 2<sup>3</sup>/<sub>4</sub>".

#### To Complete a Rosette Set:

- For **Passage** functions, please add to each Passage Trim a passage latch (8000 series). See section H for further information on latches and for complete ordering codes.
- For **Privacy** functions, please add to each Privacy Trim: a passage latch (8000 series) and a privacy bolt (8200 series). See section H for further information on latches and bolts and for complete ordering codes.
- Warning full dummies cannot be used on prebored doors.
- Always specify finish, door hand and door thickness.
- For general ordering information, please refer to the General Ordering Instructions in the PREFACE section of the Catalog.

#### Special Features of the Bouvet Line: *Customization*

- All door levers (1000 series) and door knobs (1600 series) can substitute for the lever included with the trim.
- All components from the Rosette Trims are interchangeable. Customers are welcome to compose their own trims.
- When ordering a customized Rosette Trim, please compile a list of the components needed: rosettes and levers (fastening devices will be supplied with each rosette and appropriate spindle will be provided with the levers).
- Always specify finish, door hand and door thickness.
